Description

These baskets are handcrafted by the team at Co.LaTorre (@co.latorre), the support

services center for people with disabilities in La Torre, Valencia. Each piece is unique, lovingly crafted from jute rope and materials that give it a finish that is both rustic and elegant. Designed specifically for stores and wellness spaces, they allow incense sticks to be displayed in an orderly, attractive, and accessible way for the customer. Their cylindrical shape and large capacity make them the perfect addition to any retail space. Buying this basket supports inclusive employment. Pour tout achat d'un montant égal ou supérieur à 300 € (hors TVA), vous bénéficiez d'un panier gratuit. Consultez les conditions de livraison dans l'UE
